Letter from the editor:

The second half of the semester is here! And it's time to start knuckling down and getting ready for exams. NO MORE FUN.

Just jokes.

It's time to work hard but there is definitely fun to be had with class dinner, up-coming sporting events and the REVUE! If you have any ideas about the revue or want to be in it get in contact with JESS BIRKIN or any of the APSA reps.

So get excited and get into it!
