Interview with the directors of the Pharmacy Revue 2012: Jess and Brendan

Firstly, how did the theme of the Pharmacy Games arise?

J: We were thinking of things that were pertinent to Pharmacy and how we could use a movie to portray this. With the Hunger Games being one of the biggest movies of 2012 we thought why not use it to show off the hidden talent within our Cohort.

what inspired you to direct the revue:

J: Having been doing drama since the age of 14 (and really missing it during uni!) I decided that directing our very own revue was just the ticket! I had heaps of fun being the Stage Manager at last year's show (although I'm not sure our crew enjoyed me yelling in their ear the whole time) and couldn't wait to see what another year could bring.

B: I acted in the revue last year and had an awesome time as well as enjoying finding out about all the hidden talents of our students. I wanted to make sure we carried on with the show and so agreed to direct with Jess. Plus we get to give support to important charities which is just fantastic.

Are there any special appearances to look forward to?

B: Several familiar staff members appear throughout the show. You will have to come see the show to find out, its definitely worth it!

Jess, what do you think of Brendan?

He's been the worst person I could have picked to work with: demanding, bossy, way too tall....

Jokes- he's been quite the opposite! (apart from the tall part). It's been such a pleasure Brendan J Thanks so much for being the best co-director ever!!!

Brendan, what do you think of Jess?

Jess has been fun to work with, never a dull moment! Constant requests to email her large video files despite explaining numerous times that its not possible! But we have put a huge amount of work in and the show is going to be just fantastic!

I heard you ran a competition recently for a free ticket?

B: Yes we did, we hid a special poster in a secret location in Grafton, the first person to find it won a free ticket to a night of their choice.

So where can we get tickets?

B: You can buy them online from the link below, or alternatively via phone:

And one final question, what charity are we supporting this year?

J: All proceeds from the show will be going to Parenteral Nutrition Down Under which supports home based Parenteral Nutrition Care in both NZ and Australia.

Check out their website at:

Enjoy the show and don't forget to buy your tickets!!!
