Welcome to week 4 of the semester, we hope everyone is enjoying it so far, keep going it's almost holiday time! In the past 4 weeks, we've had APSA fresher's camp, our first pubcrawl of the semester, touch rugby and our lucrative BNZ night. APSA Fresher's Camp

For those of you who couldn't attend the Fresher's Camp, we can happily announce that it was a success and everyone, including the execs, had a blast. It was held at Clarks Beach where the weather managed to be very friendly to us. After two nights and three days of wholesome (most of the time) fun and games, many new friendships were formed, some injuries sustained, gross tan lines burnt and an aversion to raw onions covered in wasabi and Tabasco developed.

PUBCRAWL

With your brain cells recovered and livers regenerated, let's take a moment to reflect on the night that was Pubcrawl – **Heroes vs Villains**. First off, a huge thanks to all the execs that helped this event run smoothly. The biggest thanks of all should go to the social reps – Salja, Isabel and Shalini– for putting so much time and effort into organising this. Take a look at the selection of delightful photos that resulted from the night. If you didn't go to this or couldn't because of tickets selling out, get in quick next time! Pubcrawl is one of the many events APSA holds so that you get an opportunity such that would never arise in Grafton IC to interact with people from other years. And of course it's to help you build cherished memories of your time in BPharm.

BNZ Night

A very special thanks to our Marketing reps Raffi and Shao for organising such a night. We had a really good talk from the BNZ team about owning our own business. Feel free to contact the BNZ team or your marketing reps if you have any queries 😊

Rugby Touch Tournament

TOUCH RUGBY was APSA's first sporting extravaganza of the year. Many thanks to the sports reps, Abdul and Hassan, for organising.

This year was no exception to the intense competition that is the norm at these events. After two hours of yelling, sweating, and some dodgy referee rulings, third years took out the top spot while fourth years – in all their splendid pink glory – were runner-up. All that aside, we are very much looking forward to whatever game the sports reps organise next and everyone will just have to wait and see which teams are the real sports champions. Anything can happen at this stage, and the Sports Cup is still anyone's game. Third place was a tie between first and second years. Third years also took out best team spirit award.

See you all at the next event!!
