President

Hi Pharmily ♥

I'M RHEA AND I'D BE HONOURLED TO BE YOUR APSA PRESIDENT FOR 2022.

AFTER AN EXTREMELY FULFILLING YEAR OF BEING GRASSROOTS REP, IT'S TIME FOR ME TO HANG UP THE BUCKET HAT.

*My experience has allowed me to gain valuable knowledge about the ins and outs of APSA, the BPharm degree and **where we fit under the FMHS umbrella.***

*I believe my skills in organisation and time management as well as a love for teamwork and seeing ideas come to fruition, would make me a **perfect candidate for the role of president** - ensuring the smooth running of the exec and various opportunities and events.*

SINCE I'M TRULY AN EXTROVERT AT HEART, I'VE THOROUGHLY ENJOYED GETTING TO KNOW YOU ALL A LITTLE BETTER BEING ON CAMPUS THIS YEAR.

*If COVID has taught me anything it's that we genuinely need to **make the most of every moment we have** since we never know when we may be plunged into a level 4 lockdown (thanks delta :(().*

*I would love to build upon the hard work of all of the past APSA committees and I'm prepared to lead a **united team through what is likely to be uncertain times to come.***

I AM PROUD OF MY STRONG COMMUNICATION SKILLS AND AM ALWAYS WILLING TO HAVE A CHAT ABOUT ABSOLUTELY ANYTHING...

*...especially if it allows me to procrastinate for a few more minutes. I'm also highly reliable, particularly since my flat is literally a three-minute walk from Grafton. I'm super active online and **tend to reply embarrassingly quickly** so you'll never be left on seen.*

*Whether you want some humour, have an idea or just need to vent - **you can count on me to be there for you 24/7.***

I WILL PRIORITISE SUPPORTING AND UPLIFTING THE VOICES OF GRASSROOTS, PSNZ, IPSF AND MAPAS WITHIN APSA.

*I am very passionate about ensuring our bridge between external committees is strong. I'd also like to enable APSA to build connections with **other relevant pharmacy organisations such as NZAPS-O and NAPS.***

*I hope to bring positive aspects that I have learnt from my **rural Whanganui community** to my APSA philosophy to ensure pharmacy students feel part of our own little community. **Together we can continue to grow our pharmatrees <3***

Treasurer

A campaign poster for Ayesha for Treasurer. The background is light blue with falling dollar bills. On the left, a cartoon character with a woman's face and Krabs' body holds stacks of money. In the center, a circular logo for 'BANK APSA' is shown. To the right, there are stacks of cash. The main text 'VOTE AYESHA FOR TREASURER!' is in large, bold letters. Below it, a blue headline reads 'Broke student life + expensive taste' with a subtitle 'has really taught me how to master the art of budgeting!!'. A paragraph states: 'As 2022 Treasurer, I will equally split myself between upholding the stinginess of Mr. Krabs and high maintenance of Hillary Banks, to bring you;'. This is followed by two numbered points: '1. as much **free food** as I can squeeze out of our budget' and '2. the most **value** out of our APSA budget to fund the most memorable 2022 experiences (ball, pub crawl, stein, games night AND more)!!'. On the right, a pirate-themed graphic shows a woman with a treasure chest and the text 'Don't bank on the rest...' and 'TREASURE ONLY THE BEST!!'.

VOTE AYESHA FOR TREASURER!

Broke student life + expensive taste
has really taught me how to master the art of budgeting!!

As 2022 Treasurer, I will equally split myself between upholding the stinginess of Mr. Krabs and high maintenance of Hillary Banks, to bring you;

1. as much **free food** as I can squeeze out of our budget
2. the most **value** out of our APSA budget to fund the most memorable 2022 experiences (ball, pub crawl, stein, games night AND more)!!

Don't bank on the rest...
TREASURE ONLY THE BEST!!

Hey, my name is Kumi and I'll be running for Treasurer this year for APSA!

I'd love to be considered for this role as I want to get more involved within the BPharm community we have and I believe I'd be the perfect fit. I reckon I'm pretty organized when it comes to money and budgeting, as I'm usually the friend that ends up splitting the bill for group gifts or Ubers. I can also reliably keep records of spending and budgets, since I've had to do that when using my course-related costs on 'essentials'. Although I only have basic knowledge of Excel, I can always Google it right?

In terms of the year ahead, I would ensure that the budget for any proposed activities and events is developed in a fair and honest manner (I promise I'm not as scary as I look so please do not be afraid to approach me).

I would be really grateful to have your vote and hope to fulfil the role as your treasurer.

Max Yeung & Celine Chong - Sports rep!

I've realised as a second-year how important APSA was in bringing our cohort together - allowing us to become SO much closer. For example, camp helped a lot of my new friends within the cohort bond and got to know each other. Without debate, It's imperative that future students also get this opportunity, and I would like to contribute to that. Ask anyone in the cohort; the people that became the closest are the same people from camp. I'm really excited to help directly create that friendly atmosphere that contributes to the tolerability of uni life! I also want to encourage students to join in even if they don't consider themselves sporty! I believe that it doesn't matter! I just want people to give it a try!

I want to offer my passion for sports and social events that bring the cohort closer to really cultivate that warm and welcoming atmosphere as I think it's essential for people's mental health, general wellbeing, and work-life balance. I want to bring people together through fun and games! I am good with initiative when it comes to organising events which will help plan events out. From observing the APSA events, I know that the leaders/representatives really do make a difference in the energy of things, how things play out and are organised - which I know I can contribute and help.

My vision for sports is based on inclusivity. I believe that events should appeal to a wide range of people - sporty or non sporty. This means our events will aim to, not require too much skill, and/or are pretty popular, easy to play sports. Also, after completing MHI, I got to speak to a few students from other faculties, and we shared our frustration around the lack of inter-faculty events, especially sports! I really wish there would be more opportunity for exposure to students from other faculties! Therefore, next year, my goal would also (In addition to pharmacy-only events) focus on intra-faculty sports events. I've talked to many people already, and it seems that big inclusive games like dodgeball, multisports, and capture the flag are really popular wants! I am especially passionate about dodgeball (I've been nagging sam this whole year), so next year, I reckon it'll be a really enjoyable event.

Me & my sister <3

Hey guys! It's Celine here, warmed up, geared up and ready to be YOUR SPORTS REP alongside with Max! I know you have a lot of candidates to go through, so I promise to keep this short, sweet & simple.

Why vote for Celine?

WELFARE REPRESENTATIVE 2022

VOTE FOR SIMONE

Hey team!
I'm Simone and I'm running for welfare representative.

What I can offer

- I love a good chat: Ask anyone, I never shut up. So if you need to have a convo with someone I'm always here and ready to respond.
- I don't drink, and I love being a sober driver: because drunk passengers love to buy the driver food ;).
- I will always have paracetamol and water with me 24/7.

I also have acquired some skills in my past 20 years of being alive; one being I worked at Maccas for 2 years so I can put up with A LOT.

I'll try and organise more welfare events, so 2022 can be full of wellness.

Grassroots 2022

For all those that don't know who I am, my name is Ashley and I'm a third year. I'm a reliable, trustworthy person who manages time wisely, gets their work done on time and is hardworking with excellent communication skills. I am running for the role of grassroots 2021 as I come from a rural background and would love to promote rural health and the potential opportunities that you could have in rural NZ.

WHY:

01 TO SEE MORE OF THIS 😍 
plus ALL the cool events like 2022
Rural Health Week, Waikato Weekend,
SoRHA school trips, stein etc (COVID

02 To get y'all as passionate about
Rural Healthcare as I am!!
*Cue cheesy reason:
Farmers need medicine too and the
only way they can get it, are through
farm-acists 🤪😬😏👨🌾👩🌾
My passion for rural healthcare arised
with just a 1 week trip to the rural

SoRHA, and getting to see how
disadvantaged they are compared to
city folks (😱) motivates me to guide y'all
on understanding the importance of rural
healthcare 🚌🐮🌿🏡👨🌾

03 Because I've got the skills & experience required to carry out the
plans above, through being the Biology Rep for NISSA (Nesian

MAPAS

Kia Ora everyone!

My name is Keisha-Lee Haronga-Fepulea'i and I want to be your MAPAS Rep for 2022. I am Samoan Māori and love both of my cultures with a passion. I'm currently a 3rd year student (who's a little bit too eager to finish this degree next year) and have lived in West Auckland my whole life. I don't know many people in Pharmacy but I'd honestly love to meet more of you! I can be shy but once you get to know me, all I do is laugh, eat, and procrastinate studying.

KEISHA FOR 2022 MAPAS REP

I would like to be the MAPAS Rep because I want to push for more Māori and Pacific students entering Pharmacy since we are underrepresented both in the School of Pharmacy and out in the workforce despite the high demand for us to serve our own people in the community.

In saying that, it would be a privilege to represent my fellow Māori and Pacific students through voicing their concerns, being a bridge to connect with other pharmacy students, and ultimately someone they can count on. Vote

The story behind Green Cross Health

Since the 12th century, a green cross has been used to represent health professionals and first took the form of a serpent wrapped around the jade hilt of a sword, used by the Hospitaliers of St Lazarus in Greece. Widely recognised in Europe and the USA as identifying a place to find health care and advice, we are proud to embrace this legacy in our company name and the icon we use to identify ourselves.
