FOR PRESIDENT 2023

Hey Pharmily! I entered pharmacy as a postgrad and found my passion for pharmacy after working part time in a community pharmacy in Auckland and then overseas in the UK as a dispensing assistant. I 100% support you in being & doing your best in your studies and know that not all paths are straight!

Why Maddie?

-YOUR VOICE: As a 3rd year class rep, I have experience with being organised as well as collecting & giving feedback to staff

-YOUR MENTOR: I am currently a peer mentor and mentee and value this very much, so look forward to getting to know more of you all in 2023 :)

-YOUR STUDY BUDDY: Always keen for study (&coffee) dates, let's talk about anything from study to life - I will be a key support person throughout your pharmacy life!

-YOUR EVENTS: I will oversee the organisation of fun sports, social and networking events with the APSA exec. team! Think fresher's camp, steins, ball and grad brunch :) let's have FUN!

-YOUR FUTURE: I hope to work with the Pharmacy school and external stakeholders to continue to make the BPharm the best programme it can be!

About me

If you were a drug, I'd overdose on you ;)

Hi besties!! I'm Anneka and ***I'd love to be your VP for 2023!*** I'm currently ***one of the Social Reps this year*** and have APSA-lutely loved being part of the team! I believe ***pharmacy is a balance*** between study, socialising, and making the most of our uni years - and ***as your VP, I will support you*** on keeping this balance along your journey in Pharmacy!

Insta: [@voteannekaforVP2023](#)

My Interests

- ***Bonding with the pharmily***: pubcrawl, sports night, post-exit test celebrations - you KNOW I'll be there!
- Being ***organised***, having great ***communication skills***, amazing ***team-work skills*** and being ***available all the time to chat or rant*** (and procrastinate) - thus a ***valuable member*** of the executive team

Vice-President

Hey there Pharmily! My name is Nishit Mistry. I am a second-year class representative and here to run for VICE PRESIDENT for APSA for 2023. After (over)thinking for about a few hours, I decided to run for Vice President because I would love to be involved in the 2023 decision-making. I love attending meetings and addressing any issues from the students to the staff and higher authority. I am elementary to approach (say "Hi" and boom!).

I can not wait to be involved in all of the APSA-organised events. I would try to make them as exciting and fun as possible. I would also love to co-organise freshers' camp and graduation brunch. Graduation brunch and leavers hoodie are some of the most memorable moments of the Uni life; therefore, I (along with the President) would try my best best best to make them phenomenal. Also, I want to organise some awesome Pharmacy hoodies (let's make other faculties jealous). I also love memes but did not have space to add any here :(

I also love taking photos (immature photographer), which means I can be the photographer at almost all APSA-organised events and take superb photos of y'all. I would love to be a likable team player and help any of the reps with anything they need (need a photographer? need me to make excellent cocktails at Freshers? need me to be a sober driver? need me to help organise sports night?)

Please Vote for me to Unlock all the benefits listed above.

Social

Hi Pharmily! We're Aaksha, Amina, and Hanya and we're running for social reps for 2023. With all the amazing events that went on this year, we were inspired. Inspired to play a role in making everyone's 2023 pharmacy life a little bit less boring and stressful but more exciting and fun. We are interested in this role because we want to be involved in planning events that are inclusive and can be enjoyed by all pharmacy students. So you may be wondering what we can offer? Well if you were at Freshers you know that Hanya is the best DJ! With her you can be sure that all the playlists at these events will be fire. With Amina's affinity for designing and planning you can be sure that all the events will be planned to perfection. All the themes will be fun so you will have a great time dressing up for all APSA events. And last but certainly not least Aaksha will always make sure you have a drink, alcoholic or not, in your hand, so that you can relax and have a great time at all APSA events. She's also approachable and always down for a chat about your ideas for any APSA events so you can be sure to have your input. Together we can cohesively plan events to ensure that you always have a great night when at any APSA event. We are all very social people with a lot of ideas regarding all of our favourite APSA events such as ball, stein, pubcrawl, movie night and quiz night! We could also add in a karaoke night and a picnic at the beginning of the year (with pizza) so that we can get to know each other better. So do your part to **MAKE PHARMACY GREAT AGAIN** by voting for us to be your 2023 social reps!

Since the 12th century,
