

APSA MINI SCRIPT

INTRODUCTION TO OUR 2026 SPONSORS

INTRODUCTION

Every year, we facilitate events and opportunities for pharmacy students. As a non-profit, student-run association, we are able to open up these amazing experiences to our pharmacy cohort through our sponsors who come together to support us through and beyond our B.Pharm journey.

As advocates for our peers in pharmacy, it is important to us that we collaborate with sponsors that align with our values and demonstrate a dedication to healthcare and future and present pharmacists!

On behalf of APSA, we would like to express our appreciation for our sponsors. To date, we have had exceptional sponsors who are vital to the success of APSA and have relished their involvement with APSA over the years. The APSA sponsorships will not only support our diverse events but also be used to enhance our Pharmacy students' emotional connection to all our sponsor's brands. This is accomplished through their experience with our premier events calendar and interactive educational activities.

We hope to continue a positive partnership between our sponsors and APSA and will continue to do so for many years to come.

Yours Sincerely,

MARKETING EXECUTIVES

Minju Kim

Another Year of Growth

This year, we proudly supporting **92 interns across New Zealand**.

Due to our growing numbers, our team has begun to develop more ways to make learning more easily accessible and streamlined. Furthermore, we are dedicated to providing the same quality of delivery no matter which store our interns choose to complete their internship. Our biggest improvements include:

- **Learning Management System** - An online portal that hosts all our exclusive training materials and resources. (e.g. video recordings, quizzes, and other activities)
- **Local Intern Coordinators** - Dedicated pharmacists to facilitate in-person monthly workshops in Auckland, Hamilton, Tauranga, Wellington, Christchurch, and more to come as we grow.

"Interning at CWH has been such an awesome experience! I've learned heaps, made great memories with fellow interns, and have felt really supported by the CWH ITP team throughout the year."

- Alexander Almazar (2025 Intern)

CWH x APSA

A huge thank you to the APSA executives for all your collaboration last year — with a special shout-out to Kevin and Rey for their consistent support and coordination.

With that, we are looking forward to working with the 2026 APSA team and seeing as many of you as we can at the upcoming careers evening! (All year groups invited)

Date: Friday 20th March

Time: 6:00pm - 7:00pm

Location: TBC

Food and Drinks Provided | Prizes to be won!

Auckland Interns - Final Workshop

Regional Interns - Final Workshop

"Completing my intern year at CWH has been the best career decision I've made. The CWH ITP is incredibly comprehensive, providing daily support for all interns to ensure a smooth transition from study to full-time work."

- Jordan Long-Lay (2025 Intern)

FROM OUR PLATINUM SPONSORS...

Totem

We are proud to continue as a Platinum Sponsor of APSA and deeply value our partnership with the University of Auckland School of Pharmacy. Totem Pharmacy Group is a network of 25 individually owned pharmacies united by a shared vision: developing strong, competent, and independent community pharmacists with patient care at the heart of practice.

We are committed to supporting students through mentorship, a comprehensive internship programme, and clear pathways toward leadership and ownership for those who aspire to it. Our goal is to create supportive environments where students can grow confidently from university through internship and beyond.

We look forward to connecting with you at our upcoming presentation. In the meantime, feel free to reach out to our Student Liaison and Programme Coordinator to learn more about opportunities within Totem: Pranto@totem.nz

We're absolutely thrilled to be a Platinum Sponsor of APSA this year! Supporting you throughout your pharmacy journey — from your early student days, into your intern year, and as you grow into confident, fully fledged pharmacists is something we're genuinely passionate about.

As you move closer to your internship with Unichem and Life Pharmacies, we can't wait to welcome you into our network. We're right here beside you, cheering you on, excited for the moments you'll learn, connect, and truly find your stride. Your success matters to us, not just as future pharmacists, but as people stepping into a meaningful and rewarding profession.

To make your intern year even more uplifting, we're looking at creating a warm, supportive space where interns can share experiences, ask questions, and feel part of a nationwide community that has their back.

We really value your feedback, it helps us shape support that truly works for you. If you have suggestions on how we can tailor our support, please also share them with your APSA marketing representative so they can pass them on to us.

We're so excited for everything ahead. Here's to an incredible 2026 and a journey we're honoured to share with you!

L'ORÉAL

Dermatological Beauty

We are thrilled to partner with APSA as a Platinum Sponsor for the first time, reinforcing our commitment to supporting pharmacists from the very beginning of their professional journey.

L'Oréal Dermatological Beauty (LDB) is the world leader in dermocosmetics, partnering with healthcare professionals including pharmacists to pioneer life-changing skincare.

In New Zealand, our mission is to provide science-backed solutions that improve skin health and quality of life for all.

Our Kiwi portfolio features three powerhouse brands:

- La Roche-Posay: The #1 dermocosmetic brand recommended by dermatologists worldwide. Specialising in sensitive skin and well renowned for its sunscreen Anthelios and acne Effaclar ranges.
- CeraVe: Developed with dermatologists, CeraVe focuses on skin barrier repair. Every product contains three essential ceramides and it is using the MVE technology for 24-hour hydration.
- Dercos by Vichy: Our expert scalp and hair care range. Combining dermatological ingredients with clinical efficacy, Dercos targets concerns like dandruff and hair fall with high-performance, sensory formulas.
